

Public Meeting/Open House

Isthmus Bay Road Improvements

Class Environmental Assessment

Municipality of Northern Bruce Peninsula

16-019

DATE: Saturday, July 29, 2017

TIME: 10:00 am to 12:00 noon

LOCATION: Lion's Head Arena and Community Centre

The Municipality of Northern Bruce Peninsula is planning to carry out improvements to the Isthmus Bay Road from the Village of Lion's Head to Whippoorwill Road. Alternatives for road improvements have been evaluated in accordance with phases 1 and 2 of the Municipal Class Environmental Assessment.

After the public meeting held on August 12, 2016 in Lion's Head the information from the public meeting was posted on the Municipality of Northern Bruce Peninsula website.

Comments regarding the road improvements have been received from approximately 40 residents at or near Isthmus Bay Road. Alternatives for Road Improvements have been assessed and evaluated with regard to the social (comments received), environmental and financial considerations. Alternative solutions for road improvements on Isthmus Bay Road have been assessed.

This study is being conducted following the planning and design process of the Municipal Class Environmental Assessment for road projects.

Come out to the Public Meeting/Open House and provide comments regarding the alternative solutions being considered.

This Notice issued on July 12, 2017.
