

Preliminary Alternatives
Improvements to the Isthmus Bay Road

Alternative 1 – Upgrade the Isthmus Bay Road to the rural road standard

Alternative 2 – Upgrade the Isthmus Bay Road to an urban standard with curb and gutter and storm sewers

Alternative 3 – Upgrade the Isthmus Bay Road to reduce flooding problems

Alternative 4 – Do nothing

As part of any of the upgrades to the Isthmus Bay Road extension, communal water services from Lion's Head will be considered as an option, while road improvements are being made to reduce the cost of communal water services to this area, if desired.
